ENVIRONMENTAL IMPACT REPORT DETERMINATION

Based on the conclusions in the DEIR, implementation of the proposed project would result in Significant Unavoidable project-level impacts with regard to greenhouse gas emissions, noise, and transportation; and Significant Unavoidable cumulative impacts with regard to greenhouse gas emissions, transportation, and utilities. All other significant impacts of the project would be mitigated to a less than significant level by the mitigation measures included in the DEIR.

AVAILABILITY OF DOCUMENTS: The City has prepared a DEIR which is available for review in the project file in the Planning Division office in City Hall at 1500 Warburton Avenue, and the Central Library at 2635 Homestead Road, both of which are located in the City of Santa Clara. The document is also available online at www.santaclaraca.gov/CEQA.

PUBLIC COMMENT PERIOD: The public comment period on the DEIR will extend for 45 days, **beginning on Tuesday, April 10, 2018 and ending on Friday, May 25, 2018**. Comments that are received on the DEIR will be addressed and included in the Final EIR (FEIR). All comments must be submitted in writing on or before the end of the public comment period. Written comments on the DEIR should be submitted no later than 5:00 PM on May 25, 2018 to:
